Director/Co-Owner
3/5/19

Dear, Parents and Guardians;

Since our inclement weather closing on February 25th, we have been taking suggestions, concerns, and researching options to best meet everyone's needs in the event of **Inclement Weather Day Closing**. We understand that our decision to close or delay opening during inclement weather often disrupts family schedules, and the decision to close or delay opening is not an easy one. After reviewing the information from licensing, other Centers' Directors, Olmsted County, and local school districts, we have decided our Center needs to put the following policy into place. We have always been able to stay open and continue our hours of operation but due to the cost of living in Rochester, most of our staff live outside of Rochester now and this creates issues we've never seen before with getting to work when the roads are bad. Our top priority is the safety of our staff and your children. In order to best meet everyone's needs we are adopting the following policy in which most Centers in the area use. This policy will clear up any concerns as to what will happen in the event of an emergency/snow day occurs. We are hoping this helps alleviate any confusion.

Discover Magical Moments Daycare Centers will be putting the following policies in place immediately.

Our inclement weather day policy is as follows:

- If the Rochester Public Schools close early, Discover Magical Moments Daycare Centers will be closing at 4:00pm.
- If the Rochester Public Schools close for the entire day by 5:30am Discover Magical Moments Daycare Centers will be open from 8:00am to 4:00pm.
- It is the responsibility of each family to be aware of the weather conditions and the locations of the community information and notifications on multiple platforms. We will do our best to post this information on KTTC closing line on the bottom of the TV screen which also shows up on Fox 47 along with putting the information on our Facebook page (which we highly recommend you "like" so you can get the information quickly).

If you have any questions please see Renae, Ashley, or David.

Sincerely,

Renae Loth-Birch
